

How_To_Make_Natural_Chicken_Feed_2008.txt

makes 100 lbs.

60 # yellow corn meal

15 # wheat middlings

8 # soybean meal

3.75 # fish meal

1 # bone meal

3 # dry skim milk

2.5 # alfalfa meal

.4 # Iodized salt

6.35 # powdered limestone

Mix all together and store in closed covered container. As this is dusty add a small amount of water to what is removed for feeding , as a binder. Do not add water to all of it as it then will not keep as long.
